1. Proposed Code Amendments Relating to Development Application and Permit Expiration Extensions: Hearing

Hilary McGowan, Planner, Hilary.McGowan@snoco.org

The Planning Commission will hold a public hearing on the proposed code amendments to SCC Chapters 30.70, 30.86, 30.50, 30.56 relating to development applications and permit expiration extensions. The proposed code would amend permit application expiration terms for Land Disturbing Activity (LDA), Flood Hazard, and Flood Hazard Variance permits, and permit expiration fees to match the proposed permit application expirations. This code amendment also proposes limited code clean-up associated with permitting fee tables. The proposed code could work to increase the consistency between permit application expiration timelines within

Title 30 chapters and make fees and code language for permit application and permit extensions consistent among permit types.

2. Proposed Code Amendments Relating to Flood Hazard Areas Code Correction: Hearing

Hilary McGowan, Planner, Hilary.McGowan@snoco.org

The Planning Commission will hold a public hearing on the proposed code amendments to SCC 30.65.220 relating to flood hazard areas code correction. Due to an error in a 2020 Ordinance, code that allowed single-family residences located within floodways to do repairs or improvements that did not increase the ground floor area and were not substantial improvements was stricken. Since this code was removed, residential homeowners are unable to do necessary home repairs and reconstruction when their homes are located within floodway's. The proposed code amendment would re-insert the stricken code while maintaining the intent of Ordinance No. 20-029 within Title 30 chapters and complying with the National Flood Insurance Program (NFIP).
