NOTES TO USERS
This map is for use in determining the Federal Flood Insurance Program. It does not represent current or past flood risk. Federal Flood Insurance is available to homeowners and renters in all communities nationwide. Flood insurance is a separate policy and should not be used in this area unless the building is located in a floodplain. Federal Managers of Floodplain Management, National Flood Insurance Program, risk maps, and floodplain information are available at your local community floodplain manager or at this website: http://www.fema.gov.

For additional information, contact the Floodplain Administrator at your local community floodplain office.

Northwest Washington.
