NOTES TO USERS

This map reflects more detailed and up-to-date floodways and flood hazards than those shown on any previous FIRM panel. This information can help identify more accurately those areas subject to flooding, particularly those areas subject to increased flooding.

To obtain current elevation information, visit the FEMA website at http://www.fema.gov/.

This area shown at a scale of 1" = 500' on map number 53061C0716
