NOTES TO USERS

The map reflects more detailed and up-to-date appropriate community officials to verify current corporate limit locations. May have occurred after this map was published, map users should contact or visit the FEMA website at http://www.fema.gov/. Please refer to the separately printed for an overview map of the Flood Insurance Program in general, please call 1-800-368-4688 regarding conversion between the National Geodetic Vertical Datum of 1929 (NGVD29) and the National Geodetic Vertical Datum of 1988. These flood elevations must be compared to structure and slight positional differences in map features across jurisdiction boundaries. Differences in datum, spheroid, projection or State Plane Ground Elevations referenced to the same vertical datum. These flood elevations are also provided in the Coastal Base Flood Elevations tables contained within the Flood Insurance Study (FIS) report that accompanies the FIRM should be aware that coastal flood elevations are also provided in the 1993 Coastal Zone A flood insurance rate maps. For more information, call 1-800-368-4688 or visit the FEMA website at http://www.fema.gov/. November 8, 1999.
