NOTES TO USERS

The map in this volume is intended as an informational aid to compare flood risk with other risks. It has not been reviewed or certified by Federal Emergency Management Agency (FEMA) and should not be used as the sole means of determining flood risk.

The information presented in this volume is based on analysis of available data. It is intended to provide a general understanding of community flood risk and should not be used for specific flood risk determination purposes.

FEMA flood maps and related information are available online at FEMA.gov and other government websites. To obtain the latest information, please visit these websites.

Federal Emergency Management Agency

Flood Insurance Rate Map (FIRM) Study

The FIRM Study is a comprehensive evaluation of flood risks in a community. It includes floodplain information and flood insurance mapping. The FIRM Study is used by the insurance industry to determine flood insurance rates.

Contact your insurance agent for details on flood insurance.

NOAA, N/NOG, National Geodetic Survey

Datum of 1988. These flood elevations must be compared to structure and property elevations.

These differences do not affect the accuracy of the FIRM.

National Flood Insurance Program (NFIP)

The NFIP is a federal program that provides affordable flood insurance to people who live in communities participating in the program.

To obtain flood insurance information, please contact your insurance agent.

SNOHOMISH COUNTY (EL 987)

EFFECTIVE DATE OF COUNTYWIDE flood hazards mapping is shown on this FIRM. Elevations shown in the Summary of Stillwater Elevations should be aware that coastal flood elevations are also provided in the Federal Insurance Identification Number (FIIN) in effect.

For more information, contact the National Flood Insurance Program at 1-800-358-9680 or visit FEMA.gov.

Study report for this jurisdiction.

The Flood Insurance Study report provides information on flood control structures and other flood protection measures. It is available online at FEMA.gov.

Contact your insurance agent for details on flood insurance.

For more information, contact the National Flood Insurance Program at 1-800-358-9680 or visit FEMA.gov.

Update road names.

Please refer to the separately printed panel for an overview map of the community.
