Two horizontal lines for text entry.

It is the policy of the Snohomish County Council on Aging that persons shall not be discriminated against membership on the Council because of race, color, national origin, creed, religion, sex, age, marital status, sexual orientation or disability. The Council on Aging actively encourages members of diverse communities to apply.

The Council on Aging values diversity and will reasonably assist participants who are disabled. Please tell us what accommodations you need to fully participate on the Council: _____

Three horizontal lines for text entry.

INTERVIEWS: Applicants will be asked to come to a brief, informal interview with the Council on Aging Membership Recruitment Committee. Interviews for 2018 membership will be held October 4-6, 2017, and will be held at the Bob Drewel Building on the main county campus. If selected, are you willing/able to be available to attend an interview this week? Specific days are still TBD. Check one:

Yes No (checkboxes)

The Council on Aging is required to include in its membership a specified ratio of persons age 60 and over and persons under age 60. The Council is also required to ensure adequate representation of racial and ethnic minority populations. Your answers to the following questions will assist us in creating a more representative Council membership.

Please check one: Age 60 or over: _____ Under 60: _____
