3 Highest:
Climbers (combined)
Tower
Spinner

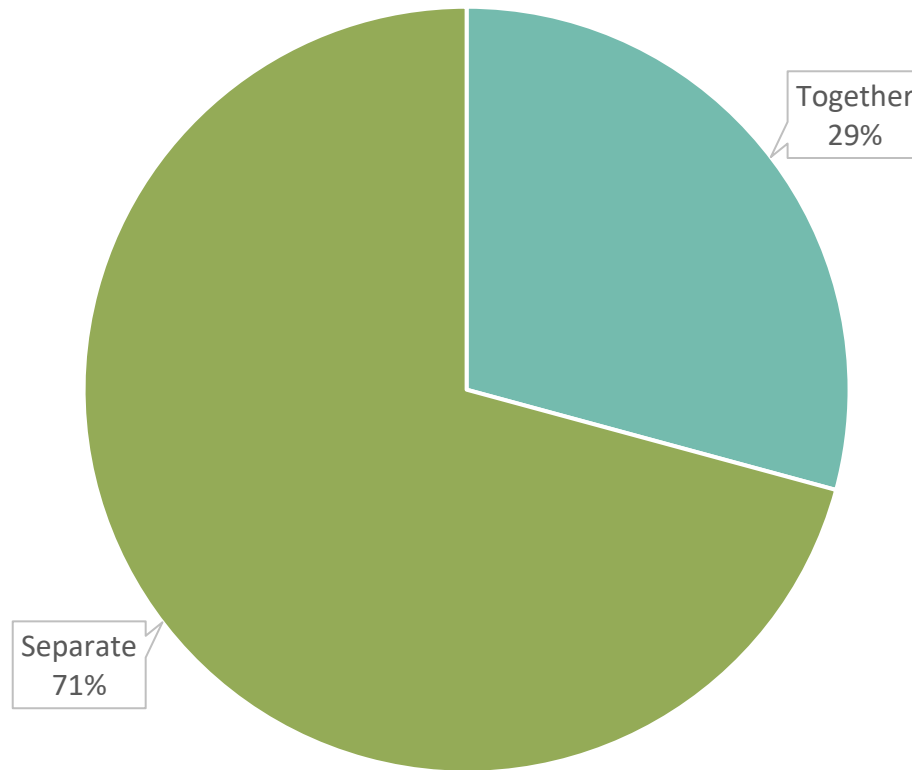

Which of these three approaches do you prefer most for the play equipment at Forsgren Park?

Of the following styles of play, which two do you most prefer for Forsgren Park?

Would you prefer older kids and younger kids to play together or separate?

What is a good playground theme?

Summary of most frequent responses:

- Nature/forest/jungle/mountains/camping
- Blue/blue & white/current theme
- Ocean/beach/Puget Sound/mermaids/underwater/rivers
- Animals
- Space/sci-fi/planets
- Use natural materials
- Modern
- Sports

What should this playground absolutely have?

Summary of most frequent responses:

- Zipline
- Swings
- Rubber surfacing/unitary surfacing/not engineered wood fiber
- Spinning
- Inclusivity & accessibility
- Climbing
- Giant slide
- Monkey Bars

Other Comments & Concerns:

Summary of most frequent responses:

- Drainage: Make sure drainage is a priority, surfacing that will drain
 - Many commented that they don't use the park currently because playground is wet
- Surfacing
- Restroom
- Picnic Tables
- More Shade Trees or Shade Covers
- Benches Around Playground (Lots of seating)
- Picnic Shelter or Covered Picnic Area
- Fence Between Road & Playground
- Perimeter path around play area/bike path/area to roller skate
- Connect both playground parts
- Drinking Fountain
- Things so parents can play too such as a climbing wall
