This is a brief summary of available benefits for comparison purposes only and does not constitute a contract. Once enrolled in a plan, you will have access to your benefits booklet which provides more details of your DeltaCare Plan. Please feel free to call our customer service department or visit our website at DeltaDentalWA.com if you have any questions.

Your DeltaCare plan only covers services provided by your Primary Care Dentist (PCD), also known as your Primary Care Provider (PCP), or a PCD-referred specialist.

Start using your benefits in just 3 steps!

Step 1: Select your Primary Care Dentist (PCD)

Find a PCD near you:

- > Visit DeltaDentalWA.com
- > Click on 'Online Tools' and use our 'Find a Dentist' tool
- > Select 'DeltaCare' to filter your search results

Dental Emergencies

Your PCD will help you access emergency care, 24 hours a day, every day of the year.

You can select a different PCD for each member of your family. If you don't select a PCD, we will assign one for you.

Step 2: Enroll in your DeltaCare Plan

Complete the enrollment form provided by your employer. Be sure to indicate your PCD and the PCD for your dependents.

Step 3: Schedule your appointment

After you've enrolled, you'll receive your identification/insurance cards along with the address and phone number of your PCD. Contact them to make an appointment.

It's important that you receive all of your dental care from your PCD or PCD-referred specialist. Your DeltaCare plan only covers services provided by your PCD or PCD-referred specialist. If you don't see a DeltaCare dentist, you are responsible for paying all costs for dental services.

Visit your PCD regularly

Your plan covers preventive care visits each year. Regular cleanings and check-ups are essential to keeping your smile healthy and preventing painful, expensive problems down the road.

How to change your PCD

You can change your PCD whenever you want. Be sure to confirm your new dentist is a DeltaCare PCD. Then, give us a call to tell us the name of your new PCD. Make your change request by the 20th of the month to start seeing your new dentist on the 1st of the following month.

Create a MySmile® account

It gives you secure, 24/7 access to your ID card, benefits information and more! Our "Find your member ID" tool makes registration easy. Visit DeltaDentalWA.com/MySmile to create your account.
