## How your plan works

Simply visit your dentist to increase your coverage level by 10% for the following year. Repeat until you achieve your maximum benefit levels.

Here's an example:

**\*New** Beginning April 1, 2021 your incentive utilization for the prior plan year will be updated at the beginning of the new plan year, April 1<sup>st</sup>. This update makes it easier to manage coverage levels for you and your dependents (previously, coverage levels updated based on annual visits for each member).

## Get out-of-pocket cost estimates

Knowing your cost upfront helps you and your dentist plan treatments to maximize your benefits. Simply sign in to your MySmile<sup>®</sup> account and use our cost estimator to get personalized estimates. It's great for basic treatments like fillings.

When you need extensive treatment, like a crown, ask your dentist for a "Pre-treatment estimate." You'll get a **Confirmation of Treatment and Cost** from us. It details your dentist's treatment plan, what your benefits cover, and how much you may owe your dentist for the treatment.
