How your plan works

Snohomish County encourages you to use your benefits every benefit period. When you use your benefits in the current benefit period, your benefits will increase by 10% in the next benefit period, up to a maximum of 100%. If you don't use your benefits during any benefit period, the benefit level will decrease by 10% in the next benefit period but will not drop below 70%. Here's an example

Choose an in-network dentist
