 RELATING TO GROWTH MANAGEMENT, ADOPTING AN INTERIM OFFICIAL CONTROL REGULATING MARIJUANA BUSINESSES LICENSED UNDER I-502, AMENDING SCC 30.22.110, DECLARING AN EMERGENCY, AND SETTING A HEARING DATE

HANDLING: NORMAL _____ EXPEDITE X URGENT _____ DEADLINE DATE _____

PURPOSE:
 Adopt emergency, temporary regulations prohibiting any I-502 licensed marijuana businesses from locating in the R-5 and CRC zones.

- BACKGROUND:**
- Following passage of Initiative 502, state law provides for licensing marijuana businesses.
 - The potential siting of marijuana production and processing facilities in the R-5 zone has generated significant citizen concerns about compatibility. The number of collective gardens in the CRC zone has generated concern about having too many marijuana businesses there.
 - Council referred proposed regulations to PDS and the planning commission to address compatibility. Those regulations would make marijuana production and processing a conditional use in R-5. PDS has also been asked to consider making them prohibited in R-5 or adopting standards for them.
 - To prevent the situation from getting worse between now and when council considers the planning commission recommendation early next year, council can consider interim emergency regulations.
 - This ordinance would, for six months, prohibit new I-502 businesses from locating in R-5 and CRC.

7 CONTROL REGULATING MARIJUANA BUSINESSES LICENSED UNDER I-502,
8 AMENDING SCC 30.22.110, DECLARING AN EMERGENCY,
9 AND SETTING A HEARING DATE
10

11
12 WHEREAS, Initiative 502 was passed by the voters of the State of Washington in
13 November 2012, providing a framework under which marijuana producers, processors,
14 and retailers can become licensed by the State of Washington; and
15

16 WHEREAS, the Washington State Liquor Control Board is in the process of
17 reviewing and issuing licenses for marijuana businesses; and
18

19 WHEREAS, Article XI, Section 11 of the Washington Constitution provides that
20 any county may "make and enforce within its limits all such local police, sanitary and
21 other regulations as are not in conflict with general laws," which grants counties
22 jurisdiction over land use issues like zoning; and
23

24 WHEREAS, without additional regulations and review processes, new marijuana
25 businesses may open in areas where they are incompatible with surrounding uses; and
26

27 WHEREAS, the Snohomish County Council referred proposed legislation to the
28 Department of Planning and Development Services and to the Planning Commission in
29 order to consider regulations to reduce the potential incompatibility of marijuana
30 businesses in certain rural zones; and
31

32 WHEREAS, the Snohomish County Council wishes to reduce the risk of new
33 businesses opening where they are incompatible with surrounding uses during the
34 period of time necessary for consideration of the new regulations; and
35

36 WHEREAS, the Snohomish County Council has determined that the proposed
37 amendments to the development regulations promote a county purpose as established
38 under RCW 36.70A.130, RCW 36.70A.470 and chapter 30.73 SCC; and
39

40 WHEREAS, RCW 36.70A.390 provides that the Snohomish County Council may
41 adopt a moratorium, interim zoning ordinance, interim zoning map, and/or interim official
42 control; and
43

44 WHEREAS, moratoria, interim zoning ordinances, and interim official controls
45 enacted under RCW 36.70A.390 are methods by which local governments may

46 preserve the status quo so that new regulations will not be rendered moot by
47 intervening development;

48
49 NOW, THEREFORE, BE IT ORDAINED:

50
51 Section 1. The Snohomish County Council makes the following findings and
52 conclusions:

- 53
- 54 A. The Snohomish County Council adopts and incorporates the foregoing recitals as
55 findings as if set forth fully herein.
 - 56
 - 57 B. The potential siting of marijuana production and processing facilities in the Rural 5-
58 acre (R-5) zone has generated significant citizen concerns about the compatibility of
59 such facilities with the existing rural character of the area.
 - 60
 - 61 C. The number of medical marijuana collective gardens in the Clearview area has
62 increased recently to a level that has generated significant citizen concerns about
63 the impact that so many marijuana businesses can have on a community. Any
64 further increase in the concentration of marijuana businesses, including licensed
65 retailers, in that area would exacerbate the problem.
 - 66
 - 67 D. The interim zoning regulations in SCC 30.22.110 will prohibit new marijuana
68 producers and processors licensed by the State of Washington under Initiative 502
69 from locating in the R-5 zone while regulations to promote compatibility are
70 considered.
 - 71
 - 72 E. The interim zoning regulations in SCC 30.22.110 will prohibit new marijuana retail
73 licensed by the State of Washington under Initiative 502 from locating in the
74 Clearview Rural Commercial (CRC) zone while regulations to promote compatibility
75 are considered.
 - 76
 - 77 F. It is in the best interest of Snohomish County to prohibit new marijuana producers
78 and processors from locating in the Rural-5 zone at this time, and to prohibit new
79 marijuana retailers from locating in the CRC zone at this time, pending further study
80 and public engagement on potential long-term regulatory changes.
 - 81
 - 82 G. The proposed interim official control will promote the public health, safety, morals,
83 and general welfare, and it is consistent with the goals and policies of the
84 Comprehensive Plan.
 - 85
 - 86 H. Marijuana is illegal under federal law. State and local regulations do not preempt
87 federal law. People and businesses involved in the production, processing, sales,
88 and possession of marijuana could still be subject to prosecution under federal law.
89 Local zoning and other regulations are not a defense against a violation of federal
90 law. The United States Department of Justice in a letter to the Commissioners of
91 Clark County, Washington dated January 17, 2012, stated that "Congress has

92 determined that marijuana is a schedule I controlled substance and, as such,
93 growing, distributing, and possessing marijuana in any capacity, other than as part of
94 a federally authorized research program, is a violation of federal law regardless of
95 state laws permitting such activities.”

96
97 I. This ordinance satisfies the procedural and substantive requirements of and is
98 consistent with the GMA.

99
100 J. Pursuant to WAC 197-11-880 and SCC 30.61.020, the adoption of this ordinance is
101 exempt from the requirements for a threshold determination under the State
102 Environmental Policy Act (SEPA).

103
104 Section 2. Pursuant to section 2.120 of the Snohomish County Charter, the
105 Snohomish County Council finds and concludes that adopting an interim official control
106 to regulate the siting of licensed marijuana businesses is necessary for the immediate
107 preservation of the public peace, health or safety. Non-emergency options would not be
108 adequate to prevent new marijuana businesses from opening in neighborhoods where
109 they would be detrimental to the public peace, health, and safety. Based on the
110 foregoing, the Snohomish County Council declares that an emergency exists and this
111 ordinance shall take effect immediately.

112
113 Section 3. Snohomish County Code Section 30.22.110, last amended by
114 Amended Ordinance No. 13-086 on November 13, 2013, is amended to read:
