

PERSONAL PROPERTY LISTING INFORMATION & INSTRUCTIONS

WHAT IS PERSONAL PROPERTY & WHY MUST IT BE LISTED?

State law requires every business to report their personal property each year to the County Assessor for assessment purposes. (RCW 84.40.185)

Personal property includes, but is not limited to, all machinery, equipment, furniture, supplies and building improvements owned, leased, rented out or used by the business, as of January 1st of the assessment year. Regardless of how the assets are acquired (whether purchased new, purchased used, purchased before beginning the business, leased, gifted or free), or tracked (whether considered an asset or an expense for the business), they must be listed with the County Assessor.

Once the assets are listed, they cannot be removed from the listing unless replaced, sold, donated, destroyed or moved out of Snohomish County. Equipment in use that has been fully depreciated for Federal Tax purposes must continue to be listed.

The Assessor will use the information provided to determine fair market value of all personal property. Personal property tax is levied at the same rate as real property tax. The applicable tax rate is determined by the physical location of the property and the levies placed in that jurisdiction. (RCW 84.40.030)

CAN I FILE MY PERSONAL PROPERTY LISTING ONLINE?

Yes! If you already have a personal property account number, please enroll in **e-file** at website address: <http://www.snohomishcountywa.gov/Help-About-eFile>

CAN I FILE USING OTHER FORMS OR SOFTWARE, OR MUST I ONLY USE SNOHOMISH COUNTY'S FORM?

You must file on our Listing form if you do not use e-file. Each county assessor has its own Listing form. Other software or forms do not meet all our requirements.

WHAT EXEMPTIONS ARE AVAILABLE FOR PERSONAL PROPERTY?

Washington State provides the following exemptions from personal property tax (RCW 84.36):

- \$15,000 of assessed value for persons who qualify as Head of Family (only one exemption allowed per year statewide, exemption application section must be fully completed on timely filed Personal Property Listing). The business must be a sole proprietor or sole beneficiary of a Trust. LLCs and Partnerships do not qualify. The Assessor determines who qualifies for this exemption; please see our website for further information.
- Vehicles licensed for regular public road use and being driven on public roads.
- Intangible property (goodwill, trademarks, patents, copyrights, etc)
- Qualifying farm machinery & equipment via Exemption Application with timely filed Listing. (Download the Farm Exemption Application form from website).
- Custom software (designed exclusively for the taxpayer) is exempt. Modifications to canned software are exempt, but the underlying canned software is subject to tax. (RCW 84.36.600)

WHAT IS THE TIMELINE FOR ASSESSMENT?

- January 1st:** All taxable personal property is assessed every year with reference to its value and ownership on this date. (RCW 84.40.020) Personal Property Listing forms are mailed to each business.
- April 30th:** Deadline for filing Listing with the Assessor must be **postmarked** (mail) **or** electronically filed by this date. (RCW 84.40.040)

Each January the Assessor mails a personal property Listing to each existing business. It is the responsibility of every business to submit a proper Listing, even if a form has not been mailed or the one that was mailed was not received. Contact us if you lost your Listing form, or go electronic and use our e-file system. A blank Listing form (for new filers **only**) may be obtained from our website. Do not use a blank form if you already have an account. Once returned and processed, a Personal Property Assessment Notice will be mailed stating the determined value of all personal property for that business. This value will be used to calculate the following year's taxes.

Extensions of the filing due date are not granted. A tax penalty of 5 percent of the tax due per month, up to a maximum of 25 percent, will be applied to listings postmarked or received **after** April 30th. (RCW 84.40.130)

Petitions for reduction of value must be submitted directly to the Board of Equalization no later than 60 days after the mail date on the official value Assessment Notice.

WHAT IF MY BUSINESS MOVES, CEASES, IS SOLD OR CHANGES NAMES?

All personal property taxes follow the **equipment**; therefore, taxes for current assessments are due at time of sale, transfer, closure, foreclosure, or removal from county (RCW 84.56.090). Our office must be notified in advance of such (please see our website to complete the Online Advance Tax Request).
