

Snohomish County Surveyors on Ash Way

You may see surveyors working along Ash Way and Gibson Road. Snohomish County Public Works is in the early stages of a project to add improvements along the corridor between 18th Avenue West and Admiralty Way. Staff members will be gathering topographic and environmental information to be used in developing options. A public meeting will be scheduled in 2015 to present a draft design and gather comments from the community.

For more information, visit the project Web page: www.snoco.org, and type "road projects" in the search box. If you would like to receive news about the project, follow the link in the Stay Informed section of the Web page, or call 425-388-3137 and we will add you to our email list.

Interpreter and translation services for non-English speakers and accommodations for persons with disabilities are available upon request. Call Tina Hokanson, 425-388-3789. For questions regarding Public Works' Title VI Program, contact our Title VI Coordinator via email at spw-titlevi@snoco.org, or phone 425-388-6660. Hearing/speech impaired call 711.
