# Your Rights

## Important Notice from **Snohomish County** about Your Prescription Drug Coverage and Medicare

### Medicare Part D Prescription Drug Notice

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with **Snohomish County** and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. **Snohomish County** has determined that the prescription drug coverage offered by the health plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare Drug Plan.

### What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?

If you do decide to join a Medicare drug plan, your **Snohomish County** coverage will be affected. Benefits will not be coordinated with a Medicare Part D plan.

If you do decide to join a Medicare drug plan and drop your **Snohomish County** prescription drug coverage, be aware that you may not be able to get this coverage back (does not apply to active employees/dependents).

## When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your coverage with **Snohomish County** and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium may go up by at least 1% of the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may consistently be at least 19% higher than the base beneficiary premium.

You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

## For More Information About This Notice Or Your Current Prescription Drug Coverage

Contact the **Snohomish County's Human Resources Department** at **425-388-3411** for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, or if this coverage through **Snohomish County** changes. You also may request a copy at any time.

## For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. If Medicare eligible, you'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

## For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov).
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call **1-800-MEDICARE (1-800-633-4227)**. TTY users should call **1-877-486-2048**.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the Web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at **1-800-772-1213 (TTY 1-800-325-0778)**.

**Remember:** Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).

**Snohomish County HR Department**  
**425-388-3411**  
[human.resources@snoco.org](mailto:human.resources@snoco.org)

## Mastectomy Benefits

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Protheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits, call your plan administrator at [425-388-3411](tel:425-388-3411).

## Newborns' Act

The Newborns' and Mothers' health Protection Act of 1996 (NMHPA) is a federal law that affects the length of time a mother and newborn child are covered for a hospital stay in connection with childbirth. In general, group health plans and health insurance issuers that are subject to NMHPA may NOT restrict benefits for a hospital stay in connection with childbirth to less than 48 hour following a vaginal delivery or 96 hours following a delivery by cesarean section. If you deliver your baby in the hospital, the 48-hour (or 96-hour) period starts at the time of delivery. If you deliver your baby outside the hospital and you are later admitted to the hospital in connection with childbirth (as determined by the attending provider), the period begins at the time of the hospital admission.

If the attending provider, in consultation with the mother, determines that either the mother or the newborn child can be discharged before the 48-hour (or 96-hour) period, the group health plan or health insurance issuer does not have to continue covering the stay for the one ready to discharge. An attending provider is an individual, licensed under State law, who is directly responsible for providing maternity or pediatric care to the mother or the newborn child. In addition to physicians, an individual such as a nurse midwife, physician assistant or nurse practitioner may be an attending provider. A health plan, hospital, insurance company, or HMO would NOT be an attending provider.

## Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within **30** days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within **60** days after the marriage, birth, adoption, or placement for adoption.

You may also be able to enroll yourself or your dependents in the future if you or your dependents lose health coverage under Medicaid or your state's Children's Health Insurance Program or become eligible for state premium assistance. You have **60** days from the occurrence of one of these events to notify the company and enroll in the plan.

To request special enrollment or obtain more information, contact your [HR department](#). Refer to your benefit book for details.

# Important Information About the Notice on Health Insurance Marketplace Coverage Options

## General Information

When key parts of the health care law took effect in 2014, there became a new way to buy health insurance: The Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### ***What is the Health Insurance Marketplace?***

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in November 1<sup>st</sup>, 2021 for coverage starting as early as January 1, 2022.

### ***Can I Save Money on my Health Insurance Premiums in the Marketplace?***

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### ***Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?***

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.83% of your household income for 2021, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### ***How Can I Get More Information?***

For more information about your coverage offered by your employer, please check your summary plan description or contact your **HR Department**.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

## Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace ([www.healthcare.gov](http://www.healthcare.gov)), you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer Name: <b>Snohomish County</b>	4. Employer Identification Number (EIN): <b>91-6001368</b>	
5. Employer Address: <b>3000 Rockefeller Avenue Mailstop 503</b>	6. Employer Phone Number: <b>425-388-3411</b>	
7. City: <b>Everett</b>	8. State: <b>WA</b>	9. Zip: <b>98201</b>
10. Who can we contact about employee health coverage at this job? <b>Snohomish County Human Resources Department</b>		
11. Phone Number: <b>425-388-3411</b>		

### Here is some basic information about health coverage offered by this employer:

As your employer, we offer a health plan to you if you meet all eligibility requirements. Eligibility requirements are specific to each employer.

Employees who receive a regular appointment and who are employed for 20 or more hours per week are eligible.

Other types of employees including seasonal and temporary employees may be eligible if they meet specific requirements. Visit [www.snohomishcountywa.gov/Benefits](http://www.snohomishcountywa.gov/Benefits) for further information.

New employees become eligible for coverage as follows:

- Employees hired between the 1st and the 15th of the month become eligible on the first day of the month following the employee's date of hire.
- Employees hired between the 16th and the 31st become eligible on the first day of the second month following the employee's date of hire.

With respect to dependent eligibility:

- The person to whom You are legally married (spouse). Legally separated spouses are not eligible for coverage.
- Your state registered domestic partner (as required by Washington state law) or Your non-state registered domestic partner, provided the non-state registered partner is eligible. Please refer to Your bargaining agreement or Human Resources for more information. You must submit an accurate and complete affidavit of qualifying domestic partnership.
- Your (or Your spouse's or Your eligible domestic partner's) child who is under age 26 and who meets any of the following criteria:
  - Your (or Your spouse's or Your domestic partner's) natural child, step child, adopted child or child legally placed with You (or Your spouse or Your domestic partner) for adoption;
  - a child for whom You (or Your spouse or Your domestic partner) have court-appointed legal guardianship;
  - and a child for whom You (or Your spouse or Your domestic partner) are required to provide coverage by a legal qualified medical child support order (QMCSO).
- Your (or Your spouse's or Your eligible domestic partner's) otherwise eligible child who is age 26 or over and incapable of self-support because of developmental disability or physical handicap that began before his or her 26th birthday, if You complete and submit the Claims Administrator's affidavit of dependent eligibility form, with written evidence of the child's incapacity, within 31 days of the later of the child's 26th birthday or Your Effective Date and either:
  - he or she is an Enrolled Dependent immediately before his or her 26th birthday; or
  - his or her 26th birthday preceded Your Effective Date and he or she has been continuously covered as Your dependent on group coverage since that birthday.

\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877- KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility –**

### Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email [ebsa.opr@dol.gov](mailto:ebsa.opr@dol.gov) and reference the OMB Control Number 1210-0137.

## Availability of Summary Health Information

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury. Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options. The SBC is available from each medical carrier describing your benefits on the web at: **(ENTER WEB ADDRESS HERE)** A paper copy is also available, free of charge, by calling **425-388-3411**.

# HIPAA Notice of Privacy Practices

THIS DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

## Health Information Privacy

This Notice is required by the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and is intended to describe how the **Snohomish County Welfare Benefit Plan** will protect your health information with respect to its benefits programs. For HIPAA purposes only, these benefits, plans, and programs have designated themselves as an affiliated covered entity, which means they will treat themselves as a single health plan in their HIPAA compliance. These benefits, plans, and programs, collectively will be called the “Plan” in this Notice, and include:

- HMO Plan with Rx
- PPO Plan with Rx
- Dental PPO Plan
- Dental HMO Plan
- Vision Plan
- Life and AD&D Plans
- Long-Term Disability
- Employee Assistance Plan
- Health Care Flexible Spending Account

This Notice does not apply to benefits that are not covered by HIPAA, such as life insurance and disability insurance.

“Health information” for this purpose means information that identifies you and either relates to your past, present, or future physical or mental health condition or provision of health care, or your past, present, or future payment for health care. This individually identifiable health information is known as “protected health information” (“PHI”). Your PHI will not be used or disclosed without a written authorization from you, except as described in this Notice or as otherwise permitted by federal or state health information privacy laws.

## Health Plan Privacy Obligations

The Health Plan is required by law:

- To maintain the privacy and security of your PHI;
- To notify you if a breach occurs that compromised the privacy or security of your information;
- To follow the duties and privacy practices described in this Notice; and
- To not share or use information other than as described here unless authorized in writing

## How the Health Plan May Use and Disclose Health Information about You

The following describes the ways we may use and disclose health information that identifies you (“Health Information”). Except for the purposes described below, we will use and disclose Health Information only with your written permission. You may revoke such permission at any time by writing to our practice Privacy Officer.

**For Treatment.** We may use and disclose Health Information for your treatment and to provide you with treatment-related health care services. For example, we may disclose Health Information to doctors, nurses, technicians, or other personnel, including people outside our office, who are involved in your medical care and need the information to provide you with medical care.

**For Payment.** We may use and disclose Health Information so that we or others may bill and receive payment from you, an insurance company or a third party for the treatment and services you received. For example, we may give your health plan information about you so that they will pay for your treatment.

**For Health Care Operations.** We may use and disclose Health Information for health care operations purposes. These uses and disclosures are necessary to make sure that all of our patients receive quality care and to operate and manage our office. For example, we may use and disclose information to make sure the obstetrical or gynecological care you receive is of the highest quality. We also may share information with other entities that have a relationship with you (for example, your health plan) for their health care operation activities. However, we will not use your genetic information for underwriting purposes. In other words, your genetic information will not be used to decide whether coverage can be provided or the price for such coverage.

**Appointment Reminders, Treatment Alternatives, and Health Related Benefits and Services.** We may use and disclose Health Information to contact you to remind you that you have an appointment with us as part of our health care operations. We also may use and disclose Health Information to tell you about treatment alternatives or health-related benefits and services that may be of interest to you.

**Individuals Involved in Your Care or Payment for Your Care.** When appropriate, we may share Health Information with a person who is involved in your medical care or payment for your care, such as your family or a close friend. We also may notify your family about your location or general condition or disclose such information to an entity assisting in a disaster relief effort.

**To Plan Sponsors:** For the purpose of administering the Plan, the Plan may disclose your protected health information to certain employees of **Snohomish County**. However, those employees will only use or disclose that information as necessary to perform plan administration functions or as otherwise required by HIPAA, unless you have authorized further disclosures. Your protected health information cannot be used for employment purposes without your specific authorization.

**Research.** Under certain circumstances, we may use and disclose Health Information for research. For example, a research project may involve comparing the health of patients who received one treatment to those who received another, for the same condition. Before we use or disclose Health Information for research, the project will go through a special approval process. Even without special approval, we may permit researchers to look at records to help them identify patients who may be included in their research project or for other similar purposes, as long as they do not remove or take a copy of any Health Information.

## **SPECIAL SITUATIONS:**

**As Required by Law.** We will disclose Health Information when required to do so by international, federal, state, or local law.

**To Avert a Serious Threat to Health or Safety.** We may use and disclose Health Information when necessary to prevent a serious threat to your health and safety or the health and safety of the public or another person. Disclosures, however, will be made only to someone who may be able to help prevent the threat.

**Business Associates.** We may disclose Health Information to our business associates that perform functions on our behalf or provide us with services if the information is necessary for such functions or services. For example, we may use another company to perform billing services on our behalf. All of our business associates are obligated to protect the privacy of your information and are not allowed to use or disclose any information other than as specified in our contract.

**Organ and Tissue Donation.** If you are an organ donor, we may use or release Health Information to organizations that handle organ procurement or other entities engaged in procurement, banking or transportation of organs, eyesore tissues to facilitate organ, eye or tissue donation and transplantation.

**Military and Veterans.** If you are a member of the armed forces, we may release Health Information as required by military command authorities. We also may release Health Information to the appropriate foreign military authority if you are a member of a foreign military.

**Workers' Compensation.** We may release Health Information for workers' compensation or similar programs. These programs provide benefits for work-related injuries or illness.

**Public Health Risks.** We may disclose Health Information for public health activities. These activities generally include disclosures to prevent or control disease, injury, or disability; report births and deaths; report child abuse or neglect; report reactions to medications or problems with products; notify people of recalls of products they may be using; a person who may have been exposed to a disease or may be at risk for contracting or spreading a disease or condition; and the appropriate government authority if we believe a patient has been the victim of abuse, neglect, or domestic violence. We will only make this disclosure if you agree or when required or authorized by law.

**Health Oversight Activities.** We may disclose Health Information to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, inspections, and licensure. These activities are necessary for the government to monitor the health care system, government programs, and compliance with civil rights laws.

**Data Breach Notification Purposes.** We may use or disclose your Protected Health Information to provide legally required notices of unauthorized access to or disclosure of your health information.

**Lawsuits and Disputes.** If you are involved in a lawsuit or a dispute, we may disclose Health Information in response to a court or

administrative order. We also may disclose Health Information in response to a subpoena, discovery request, or other lawful process by someone else involved in the dispute, but only if efforts have been made to tell you about the request or to obtain an order protecting the information requested.

**Law Enforcement.** We may release Health Information if asked by a law enforcement official if the information is: (1) in response to a court order, subpoena, warrant, summons or similar process; (2) limited information to identify or locate a suspect, fugitive, material witness, or missing person; (3) about the victim of a crime even if, under certain very limited circumstances, we are unable to obtain the person's agreement; (4) about a death we believe may be the result of criminal conduct; (5) about criminal conduct on our premises; and (6) in an emergency to report a crime, the location of the crime or victims, or the identity, description or location of the person who committed the crime.

**Coroners, Medical Examiners, and Funeral Directors.** We may release Health Information to a coroner or medical examiner. This may be necessary, for example, to identify a deceased person or determine the cause of death. We also may release Health Information to funeral directors as necessary for their duties.

**National Security and Intelligence Activities.** We may release Health Information to authorized federal officials for intelligence, counter-intelligence, and other national security activities authorized by law.

**Protective Services for the President and Others.** We may disclose Health Information to authorized federal officials so they may provide protection to the President, other authorized persons or foreign heads of state or to conduct special investigations.

**Inmates or Individuals in Custody.** If you are an inmate of a correctional institution or under the custody of a law enforcement official, we may release Health Information to the correctional institution or law enforcement official. This release would be if necessary: (1) for the institution to provide you with health care; (2) to protect your health and safety or the health and safety of others; or (3) the safety and security of the correctional institution.

## **USES AND DISCLOSURES THAT REQUIRE US TO GIVE YOU AN OPPORTUNITY TO OBJECT**

**Individuals Involved in Your Care or Payment for Your Care.** Unless you object, we may disclose to a member of your family, a relative, a close friend, or any other person you identify, your Protected Health Information that directly relates to that person's involvement in your health care. If you are unable to agree or object to such a disclosure, we may disclose such information as necessary if we determine that it is in your best interest based on our professional judgment.

**Disaster Relief.** We may disclose your Protected Health Information to disaster relief organizations that seek your Protected Health Information to coordinate your care or notify family and friends of your location or condition in a disaster. We will provide you with an opportunity to agree or object to such a disclosure whenever we practically can do so.

### **Required Disclosures**

The following is a description of disclosures of your protected health information we are required to make:

**Government Audits.** The Plan is required to disclose your protected health information to the Secretary of the United States Department of Health and Human Services when the Secretary is investigating or determining our compliance with the HIPAA privacy rule.

**Disclosures to You.** At your request, the Plan is required to disclose to you the portion of your protected health information that contains medical records, billing records, and any other records used to make decisions regarding your health care benefits. We are also required, when requested, to provide you with an accounting of most disclosures of your protected health information if the disclosure was for reasons other than for payment, treatment, or health care operations, and if the protected health information was not disclosed pursuant to your individual authorization.

## YOUR WRITTEN AUTHORIZATION IS REQUIRED FOR OTHER USES AND DISCLOSURES

The following uses and disclosures of your Protected Health Information will be made only with your written authorization:

1. Uses and disclosures of Protected Health Information for marketing purposes; and
2. Disclosures that constitute a sale of your Protected Health Information

Other uses and disclosures of Protected Health Information not covered by this Notice or the laws that apply to us will be made only with your written authorization. If you do give us an authorization, you may revoke it at any time by submitting a written revocation to our Privacy Officer and we will no longer disclose Protected Health Information under the authorization. But disclosure that we made in reliance on your authorization before you revoked it will not be affected by the revocation.

## YOUR RIGHTS:

You have the following rights regarding Health Information we have about you:

**Right to Inspect and Copy.** You have a right to inspect and copy Health Information that may be used to make decisions about your care or payment for your care. This includes medical and billing records, other than psychotherapy notes, and information compiled in reasonable anticipation of being used in a legal proceeding. To inspect and copy this Health Information, you must make your request, in writing, to the privacy contact identified below. We have up to 30 days to make your Protected Health Information available to you, which may be extended for additional 30-days, and we may charge you a reasonable fee for the costs of copying, mailing, or other supplies associated with your request. We may not charge you a fee if you need the information for a claim for benefits under the Social Security Act or any other state or federal needs-based benefit program. We may deny your request in certain limited circumstances. If access is denied, you or your personal representative will be provided with a written denial setting forth the basis for the denial, if applicable, a statement of your review rights, including a description of how you may exercise those review rights and a description of how you may complain to the Plan or to the Secretary of the Health and Human Services (HHS). If we do deny your request, you have the right to have the denial reviewed by a licensed healthcare professional who was not directly involved in the denial of your request, and we will comply with the outcome of the review. If the information you request is maintained electronically, and you request an electronic copy, we will provide a copy in the electronic form and format you request, if the information can be readily produced in that form and format; if the information cannot be readily produced in that form and format, we will work with you to come to an agreement on form and format. If we cannot agree on an electronic form and format, we will provide you with a paper copy. The Plan may provide you with a summary of the protected health information requested, in lieu of providing access to the protected health information or may provide an explanation of the protected health information to which access has been provided in certain circumstances.

**Right to an Electronic Copy of Electronic Medical Records.** If your Protected Health Information is maintained in an electronic format (known as an electronic medical record or an electronic health record), you have the right to request that an electronic copy of your record be given to you or transmitted to another individual or entity. We will make every effort to provide access to your Protected Health Information in the form or format you request, if it is readily producible in such form or format. If the Protected Health Information is not readily producible in the form or format you request your record will be provided in either our standard electronic format or if you do not want this form or format, a readable hard copy form. We may charge you a reasonable, cost-based fee for the labor associated with transmitting the electronic medical record.

**Right to Get Notice of a Breach.** You have the right to be notified upon a breach of any of your unsecured Protected Health Information. The notice will be made in writing and sent without unreasonable delay and in no case later than 60 calendar days after discovery of a breach.

**Right to Amend.** If you feel that the Health Information we have is incorrect or incomplete, you may ask us to amend the information. You have the right to request an amendment for as long as the information is kept by or for our office. To request an amendment, you must make your request, in writing, to the privacy contact identified below. The Plan has 60 days to act after receiving your request; this time period may be extended an additional 30 days (for a total of 90 days). If the Plan accepts the requested amendment, the Plan will make the appropriate amendment to the protected health information or record that is the subject of the request. The Plan may deny your request for amendment if it determines that the PHI or record that is the subject of the request:

- was not created by the Plan, unless you provide a reasonable basis to believe that the originator of PHI is no longer available to act on the requested amendment;
- is not part of the designated record set;
- would not be available for your inspection under the Privacy Standards; or
- is accurate and complete.

If the request is denied in whole or part, the Plan must provide you with a written denial. You have the right to prepare a written statement of disagreement.

**Right to an Accounting of Disclosures.** You have the right to request a list of certain disclosures we made of Health Information for purposes other than treatment, payment and health care operations or for which you provided written authorization. To request an accounting of disclosures, you must make your request, in writing, to the privacy contact identified below.

**Right to Request Restrictions.** You have the right to request a restriction or limitation on the Health Information we use or disclose for treatment, payment, or health care operations. You also have the right to request a limit on the Health Information we disclose to someone involved in your care or the payment for your care, like a family member or friend. For example, you could ask that we not share information about a particular diagnosis or treatment with your spouse. To request a restriction, you must make your request, in writing, to the privacy contact identified below. We are not required to agree to your request unless you are asking us to restrict the use and disclosure of your Protected Health Information to a health plan for payment or health care operation purposes, and such information you wish to restrict pertains solely to a health care item or service for which you have paid us “out-of-pocket” in full. If we agree, we will comply with your request unless the information is needed to provide you with emergency treatment. A restriction agreed to by the Plan is not effective to prevent uses or disclosures when required by the Secretary of HHS to investigate or determine the Plan’s compliance with the Privacy Standards or uses or disclosures that are otherwise required by law.

**Out-of-Pocket-Payments.** If you paid out-of-pocket (or in other words, you have requested that we not bill your health plan) in full for a specific item or service, you have the right to ask that your Protected Health Information with respect to that item or service not be disclosed to a health plan for purposes of payment or health care operations, and we will honor that request.

**Right to Request Confidential Communications.** You have the right to request that we communicate with you about medical matters in a certain way or at a certain location. For example, you can ask that we only contact you by mail or at work. To request confidential communications, you must make your request, in writing, to the privacy contact identified below. Your request must specify how or where you wish to be contacted. We will accommodate reasonable requests.

**Right to a Paper Copy of This Notice.** You have the right to a paper copy of this notice. You may ask us to give you a copy of this notice at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy of this notice.

## **CHANGES TO THIS NOTICE:**

We reserve the right to change this notice and make the new notice apply to Health Information we already have as well as any information we receive in the future. We will post a copy of our current notice at our office. The notice will contain the effective date on the first page, in the top right-hand corner.

## **COMPLAINTS:**

If you believe your privacy rights have been violated, you may file a complaint with our office or with the Secretary of the Department of Health and Human Services. Complaints to HHS can be mailed to:

U.S. Department of Health and Human Services  
200 Independence Avenue, S.W.  
Room 509F HHH Bldg.  
Washington, D.C. 20201.

Complaints also be emailed (to [OCRComplaint@hhs.gov](mailto:OCRComplaint@hhs.gov)) or through an online portal (<https://ocrportal.hhs.gov/ocr/smartscreen/main.jsf>)

For more information on how to file a complaint with HHS, visit: <http://www.hhs.gov/hipaa/filing-a-complaint/complaint-process/index.html>

You may file a complaint with the Plan by notifying the privacy contact identified below. All complaints must be made in writing. You will not be penalized or retaliated against for filing a complaint with either HHS or the Plan.

You may bring questions, complaints, or requests for any of your privacy rights to the Pension/Benefits Administrative Committee or the Privacy Officer for the Plan at:

**Snohomish County Human Resources Department**  
**3000 Rockefeller Avenue Mailstop 503**  
**Everett, WA 98201**  
**425-388-3411**  
**[human.resources@snoco.org](mailto:human.resources@snoco.org)**

The Plans may change the terms of this Notice at any time. If the Plans change this Notice, the Plans may make the new Notice terms effective for your entire PHI that the Plans maintain, including any information the Plans created or received before we issued the new notice. If the Plans change this Notice, the Plans will make it available to you.

# Employee Rights and Responsibilities under the Family and Medical Leave Act

## Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks, in a 12 month period, of unpaid, job-protected leave to eligible employees for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within one year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child or parent.

## Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list, or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.

\*The FMLA definitions of "serious injury or illness" for current service members and veterans are distinct from the FMLA definition of "serious health condition".

## Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

## Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

\*Special hours of service eligibility requirements apply to airline flight crew employees.

## Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

## Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

## Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

## Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions; the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

## Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

## Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA;
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

## Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

## Washington Paid Family and Medical Leave

### You may qualify for Paid Family and Medical Leave

As of Jan. 1, 2020, Washington employees who have worked 820 hours or more in the qualifying period and experience(d) a qualifying event have access to Paid Family and Medical Leave.

Employees who have missed work due to family or medical reasons may be eligible for paid family or medical leave for the following qualifications:

- Care for and bond with a child younger than 18 following birth or placement
- Care for yourself or a family member experiencing a serious health condition
- Certain military-connected events.

Paid Family and Medical Leave requires that you give your employer(s) written notice at least 30 days in advance of when you plan to take leave. However, if the reason you need leave was not foreseeable, you may notify your employer(s) as soon as possible.

The Paid Family and Medical Leave Benefit Guide provides information on how to apply for benefits and submit weekly claims. It also explains your rights and responsibilities under the law. Download the guide at [www.paidleave.wa.gov/benefit-guide](http://www.paidleave.wa.gov/benefit-guide).

For more information about how to apply, contact us at 833-717-2273 or visit [www.paidleave.wa.gov](http://www.paidleave.wa.gov).
