MINERAL RESOURCE LANDS NOTICE

SCC 30.32C.200 Notice Requirement. The following shall constitute the notice required by this section:

“The real property subject to this notice is designated mineral resource land or is land within 2000 feet of designated mineral resource land on which mineral extraction, or a variety of activities related to mineral extraction, may occur that are not compatible with residential development for certain periods of limited duration.”

(Added by Ord. 95-050: adopted July 10, 1995; effective July 10, 1995).

The notice requirements of SCC 30.32C.200 shall apply to all building and development permit applications which are filed and real property transactions which occur on or after July 10, 1995.
