

LITTLE BEAR CREEK BASIN PLANNING PROJECT  
SNOHOMISH COUNTY PUBLIC WORKS

PUBLIC OPEN HOUSE

Tuesday, April 19, 2016  
6:30 - 8:30 pm

Brightwater Community Meeting Room  
22505 WA-9  
Woodinville, Washington

**OPEN HOUSE PURPOSES:**

- ✓ To introduce the purpose, scope, and timeline of Snohomish County Little Bear Creek Basin Planning Project to the public
- ✓ To gather input on public perceptions of issues and problems in the watershed in preparation for future feedback on the draft stormwater management plan for Little Bear Creek

**AGENDA**

- 6:30 pm      **Welcome and Introduction**
- ✓ To orient participants to the Open House purpose and agenda
- 6:40 pm      **Description of the Little Bear Creek Planning Project**
- ✓ Reason, context, and requirements for the project
  - ✓ Major components of the project and their timing
- 7:10 pm      **Questions about the Project**
- ✓ To invite members of the public to ask questions about the project
- In order to provide the opportunity for as many people as possible to ask questions, we request that each person ask only one question at a time.*
- 7:45 pm      **Public Input at Individual Topic Stations**
- ✓ To invite public input to the question: *What do you perceive to be issues and problems in the Little Beak Creek watershed?*
- Snohomish County staff and consultants will be available for additional conversations
- 8:30 pm      **Open House Concludes**
