- ▶ **Continuing your Septic Care**
Attend a FREE Snohomish County septic workshop, held bi-annually. See www.savvyseptic.org for dates and locations. Schedule regular inspections every 1-3 years, depending on your system. Go to www.snohd.org for more information.

Finding a Certified Provider

Certification requirements for each rebate activity type are as follows:

Riser Installation
Contractors must be certified as a Monitoring & Maintenance Specialist or Pumper.

Septic System Inspection
Contractors certified as a Monitoring & Maintenance Specialist can inspect all systems. Gravity systems can also be inspected by certified Pumpers.

We recommend contacting at least 3 qualified providers to obtain the best service and pricing.

**Funding for rebates is limited & will be issued on a first-come, first-served basis until funding is exhausted.*
