- ▶ **Continuing your Septic Care**  
Attend a FREE Snohomish County septic workshop, held bi-annually. See [www.savvyseptic.org](http://www.savvyseptic.org) for dates and locations. Schedule regular inspections every 1-3 years, depending on your system. Go to [www.snohd.org](http://www.snohd.org) for more information.

### Finding a Certified Provider

Certification requirements for each rebate activity type are as follows:

#### Riser Installation

Contractors must be certified as a Monitoring & Maintenance Specialist or Pumper.

#### Septic System Inspection

Contractors certified as a Monitoring & Maintenance Specialist can inspect all systems. Gravity systems can also be inspected by certified Pumpers.

*We recommend contacting at least 3 qualified providers to obtain the best service and pricing.*

*\*Funding for rebates is limited & will be issued on a first-come, first-served basis until funding is exhausted.*
