Adult Drug Treatment Court Introduction

Welcome to ADTC!

This handbook gives information about ADTC and what is required of you as a participant. We want you to share this information with your family and friends who support your recovery. As a participant, you are required to follow all rules in this handbook, the ADTC Contract and all instructions given in court by the Judge.

NOTE: This handbook may be updated from time to time to reflect program changes. We will make sure you are told of any changes.

You will be sanctioned or terminated by the court if you fail to follow the rules and requirements included in this handbook. If you do not understand anything or have questions contact your Coordinator.

Three Simple Rules to Success in ADTC:

1. Be Honest
2. Show Up
3. Try Hard

PROGRAM DESCRIPTION

WHAT IS A DRUG TREATMENT COURT?

Adult Drug Treatment Court (ADTC) is a therapeutic court that includes frequent drug testing, judicial supervision, substance use disorder treatment and the use of incentives and sanctions. When you enter ADTC, you become part of a unique partnership with the judge, deputy prosecuting attorney, defense counsel, drug court coordinators, treatment professionals and law enforcement.

You will need to participate in a variety of treatment programs that are designed to help you with your substance use disorder and provides support to achieve education and employment goals. The program includes group and individual treatment sessions, Moral Reconciliation Therapy and participation in sober support meetings. Residential substance use disorder treatment and detoxification services may also be required. ADTC is a 12 to 18 month program, however, the judge may extend your participation up to 24 months depending on your individual circumstances.

EQUAL OPPORTUNITY

You have the right to participate in this program without discrimination as to your age, sex, race, creed, color, religion, national origin, sexual orientation, marital status or physical disability.

SAFETY

Safety is everybody's responsibility. Safety rules are posted on bulletin boards at service agencies and in the courthouse for your convenience. You must follow all court orders and rules/regulations regarding weapons. You may be terminated if the team feels that safety concerns are impacting your continued participation in this program.

CONFIDENTIALITY

Your rights to confidentiality are protected by Federal laws. Information will not be released by the team without your written consent. You will be required to sign a consent form allowing treatment providers, program staff, and the rest of the team to share and talk about your progress.

That release of confidentiality will extend to others who may be present or participate in staffing or other discussions about your participation, including the press or public inside the courtroom. We will take all reasonable steps to respect your privacy and not discuss sensitive personal information in open court.

Confidentiality is also important in group sessions. Anything that is discussed in group must remain in group. No information any participant should be talked about outside of the group. The same confidentiality applies to things said in the courtroom. Outside group and court, do not talk to anyone about any information you hear from or about any other participant.

ENTRY INTO ADTC

OPT IN PROCESS

The first two weeks of ADTC is a trial period for you to test out the program and for the team to make sure you are participating in the program and taking the requirements seriously. At the end of your first two weeks you may "opt in" to the program and continue your participation, or you may "opt out" and return to the trial track. The team may also choose to "opt you out" after reviewing eligibility and your program participation. If you opt out, any trial rights you have waived will be returned to you.

On your "opt date", if you do not appear for court, you will be "opted in" in your absence. It is very important that you show to court for your "opt date".

Once you have opted in, voluntary or involuntary, termination will result in a stipulated trial. The Judge determines your guilt or innocence based on the police reports, and/or affidavit of probable cause. You may be sentenced immediately if you are found guilty.

PROGRAM REQUIREMENTS

GROUP AND INDIVIDUAL TREATMENT

Your treatment program will be made up of group & individual counseling sessions with your treatment provider(s). You will be required to actively participate in all sessions. Non-participation will result in a sanction and can lead to termination from the program.

It is your responsibility to be on time for all treatment sessions and any missed sessions will result in a sanction. You may not be allowed to enter a treatment group that has started and if you are more than 10 minutes late, it will be a missed treatment group. If you miss an individual meeting with your counselor, without it being excused or cancelled within 24 hours of the session, it will be a missed treatment session.

In addition, you may be required to participate in other programs, including but not limited to: job training, family education, anger management, parenting classes, mental health counseling, GED preparation, or others, based on your individual needs.

TREATMENT PHASES

You are required to successfully complete all phases of treatment before you can graduate from ADTC. Your substance abuse assessment will determine which treatment level of care that you will start at in Phase I.

- **Phase 1:** Treatment starts with an intensive outpatient (IOP) level of care, but based on your individual needs, you may start in detoxification services, residential treatment or a combination of services.
- **Phase 2:** Once you enter Phase 2 of treatment you will be meeting with your treatment provider one to two times per week depending on your individual needs. If you continue to struggle with staying sober, you may be returned to Phase 1 for more intensive treatment. If you do not participate in treatment, you may be terminated.
- **Phase 3:** During this last Phase of treatment you will meet with your treatment provider at least once a month. This may be an individual or group session. If you relapse during this Phase, you may be returned to Phase 1 or Phase 2 of treatment or be terminated.
- **Aftercare:** Aftercare provides you with access to individual treatment sessions with your ADTC treatment counselor after graduation. You may access this service once a month until 6 months after you graduate. The number of sessions you may have are limited to 6 total.

Suspension from treatment: You must be enrolled in treatment while in this program. If you are suspended from treatment, you may be terminated.

SOBER SUPPORT: MEETINGS & SPONSOR

MEETINGS: During stages one through three, you are required to attend and participate in a minimum of three (3) sober support meetings each week. During stage four you are required to check in with your coordinator each week regarding your recovery supports— you can either write a short paragraph explaining what you did during the week to support your recovery or you can turn in a weekly to-do list to explaining what tasks you completed during the week to support your recovery. This is in addition to your other required treatment appointments.

The following rules apply to your meetings each week:

- You must attend each of these meetings on different days each week. (*example: Friday, Monday and Tuesday*)
- Your meetings must not take place at the same time as your treatment appointments or court.
- You will be responsible for checking that your name, date, name of the group and location are correct and clearly written on your verification slip. **Other Drug Treatment Court participants cannot sign your slip, even if they are the chair of the meeting.**
- You may attend one pro-social activity each week as long as you talk to your treatment liaison about it ahead of time and get approval to attend. Examples of pro-social activities include attending church, going on a group hike, playing sports, MRT peer support, etc.
- You are required to turn in proof of your attendance of sober support meetings (e.g., signed meeting slip) to your treatment provider **DAILY**.
- If your meeting slip is turned in late or not turned in at all, you will get a sanction at court.

SPONSOR: You are required to find and stay in contact with a sober support sponsor/recovery coach while in ADTC. Please talk with your treatment liaison about this requirement.

If you do not attend a full meeting, but list that meeting on your meeting slip, and/or forge your attendance at a sober support meeting, you will be sanctioned in court, up to and including termination.

DRUG AND ALCOHOL TESTING: REQUIREMENTS/ UA LINE/COLLECTION SITE PROCEDURES

REQUIREMENTS:

- You will have to do random drug and alcohol testing while in the program. This testing can only be done by a collection site approved by the court. You may also be told at any time, either in person or by phone (*including voicemail*), that you will be required to provide a urine sample that same day. It is your responsibility to make sure your Coordinator has a current working phone number to reach you at and be able to leave you a voicemail. You must check your voicemail regularly while in ADTC. Saying that you did not check your messages is not an excuse for missing a drug test.
- Observed UA testing is a requirement of the program testing protocol. This means that a same-sex collection site staff member will be in the bathroom with you to directly observe the collections of all UA's.
- All UA testing results for the program have been tested twice to confirm that the results are positive. UA samples with temperature readings below 90 degrees, above 100 degrees, or that have a creatinine level below 20 mg/dL will be considered diluted or fraudulent. **Make sure you do not drink too many fluids before giving a UA sample.**
- Missed, unable to provide, diluted or tampered UA tests will be treated as a positive UA result. **Any attempt to falsify a UA test is a reason for immediate termination from the program.**
- You must avoid products and foods that can conflict with UA testing results. **You are responsible to check all labels.**

These include but are not limited to:

- **Products containing alcohol** (*Hand sanitizer, mouthwash, medications, etc.*)
 - **Foods cooked or prepared with alcohol**
 - **Fermented beverages** (*kombucha tea*)
 - **Poppy Seeds** (*Sometimes hidden in breads, muffins, bagels, pastries, salad dressings, etc.*)
 - **Energy Drinks**
 - **Supplements containing Creatine**
 - **CBD**
- There are certain prescription medications, over-the-counter medications and supplements that may conflict with UA testing. Be sure to follow the ADTC Medication procedure in this handbook.

If you provide a positive UA sample because you were exposed to or consumed a substance such as the ones listed above, it will be treated as a positive UA and you will be given a sanction from the court. Again, you are responsible for anything that you consume or are exposed to.

When in doubt, do not use, consume or apply!

UA CALL LINE:

You will be given a Client ID Number while in this program. **It is your responsibility to not lose this important number.**

You are responsible to call the UA Call Line each day (*including weekends and holidays*) to see if you need to provide a UA sample that day. The UA Call Line is only open from 5:00 a.m. – 3:59 p.m. It closes at 4:00 p.m. daily. **The number is: 425-953-1346.** If you cannot get through to the UA Call Line the first time, continue to call until you get through.

When calling the UA Call Line, be sure to follow the instructions from the message telling you that you **ARE REQUIRED** to test today or **NOT REQUIRED** to test today.

If you are required to test on that date, you will need to report to the approved collection site within the following collection times:

Monday – Friday
7:00 a.m. – 11:00 a.m. or 12 Noon – 2:30 p.m.
Saturday or Sunday
9:00 a.m. – 11:30 a.m. only

You can also check online to see if you need to test on any given date by going to the following website: www.mycallin.com.

If for some reason the UA Call Line and online systems are down; you must call your Drug Court Coordinator. If you cannot get through to anyone, you must go down to the collection site that day (*during collection times*) and ask if you need to provide a UA specimen on that day. You will receive a sanction for a missed UA if you do not follow these directions.

SEVERE WEATHER PROCEDURE:

In the event of severe weather (snow, flooding, power outages due to wind, etc.), do not call the UA line until after 8:00 a.m. If you call after 8:00 a.m. and you are told to report, proceed as normal to provide your sample.

UA COLLECTION SITE PROCEDURES:

Once you enter the collection site, a staff member will sign you in and you will be asked to initial next to your name on the sign-in sheet.

DO NOT leave the UA site until you have provided your UA sample for that day. If you do leave, you will not be able to come back in to UA that day and it will be counted as a missed UA.

Please be respectful to collection site staff, property and other donors at the collection site. Any inappropriate behaviors will be reported to ADTC, such as but not limited to: inappropriate language (profanity/drug talk/sexual comments/etc.), destruction of property, loitering, etc. and may result in a sanction.

If you are taking any medications and/or supplements:

- You must follow the medication policy in ADTC and notify your coordinator of any and all prescription medications.

If you are unable to provide a UA Sample:

- The collector will give you an eight ounce glass of water every ½ hour.
- You will have either three chances to give a sample or three hours, whichever comes first. Please be aware of UA testing times as you may not be given up to three chances or three hours if the collection site is closing.
- You will need to let the collector know when you are ready for your 2nd or 3rd chance to give your sample.

GRIEVANCE

There is always chance that the treatment you receive by another person or this program may seem unfair or inappropriate. To protect you against any unfairness, this program has a procedure for handling your complaint or concerns.

1. Discuss the issue with the person you feel has treated you unfairly or inappropriately.
2. If your concern is not resolved, you may file a formal grievance.
3. To file a formal grievance, complete the Grievance Form and submit to your Coordinator.
4. Complaints and grievances will be forwarded to the Program Administrator who will investigate your issue.
5. You will be notified of the outcome within 10 business days.

NEW OFFENSES/INFRACTIONS

If you are charged with a new offense while in the program, you may be terminated.

TERMINATION

Due to many reasons, there are times when your continued participation in ADTC may not be helpful for you, the program, or both.

In making the decision whether to terminate you from ADTC, the court may consider your past efforts regarding compliance and progress in the program.

Examples of violations that may result in termination include, but are not limited to:

- UA violations
- Non-compliance with treatment
- Falsifying documents (*such as meeting slips, Community Service Forms*)
- Dishonesty
- Failure to abide by the terms of the contract, program rules or handbook
- Threatening, harassing or assaultive behavior
- New offense
- Not being able to meet any one of the graduation requirements within the designated program length

Termination may be voluntary or involuntary. You may decide to terminate from the program because the program no longer serves your needs (*voluntary*) or, the team may, at any time during the program, request your termination (*involuntary*) for non-compliance or violation of any of the rules of ADTC.

You will be terminated from ADTC if you have been in warrant status for over 60 days or may be terminated if you are unable to successfully complete the program within 18 months.

If the team recommends termination, and you disagree with that decision, you may have a fully contested, adversarial hearing before another judge.

EXIT INTERVIEWS

After moving to Stage Four, you must participate in an exit interview with the team. This interview will allow the team to talk to you about your recovery supports and aftercare plan. It will also give you a chance to give the team feedback about the program (things that worked well for you, things that you didn't understand, extra supports or resources that could have been provided, etc.).

Your Coordinator will schedule your exit interview two-four weeks prior to your graduation date. The interview will take place at 11:30am on a Friday, in the Jury Room of the judge's courtroom or on zoom. If you do not attend your exit interview, your graduation date may be rescheduled until this requirement is completed.

During the exit interview, the Judge will lead the conversation and team members will take turns asking you questions. There are no right or wrong answers to the questions, this interview is just to check in with you prior to graduation and to get feedback on the program. Please be honest with your feedback.

GRADUATION

In order to be eligible for graduation, you must complete all requirements in the program as listed in this handbook. However, a final decision on graduation will be made by the Judge with input from the team.

All scheduled graduation dates are subject to change. You should not make plans that would impact your ability to continue to participate in the program if your graduation date needs to be extended.

Graduation from the program is cause for celebration! Your family and friends are invited to attend your ceremony, which honors your successful completion of the program and your accomplishment of achieving a sober lifestyle. Any pending criminal charge(s) that were included in your ADTC contract will be dismissed upon graduation.
