Happy Holidays

I hope everyone in District 2, and around all of Snohomish County, had a happy and safe October. With the holiday season quickly approaching, our county is about to transform and it is my hope that you will all support your neighbors and friends by shopping locally for your many holiday needs. The holidays can also be challenging for many friends and neighbors, so consider giving to a charity if you are able or simply exchanging some kind words with others. The smallest things help. Enjoy the season and enjoy the company of those around you!

Dawson's Place Annual Luncheon

On Thursday November 7th Dawson's Place will hold their first annual "Transforming Hurt to Hope" Fundraising Luncheon. It is my hope that they will succeed in raising plenty of money to help those young people that are hurting in our county. Dawson's Place focuses on providing services for abused children in one single location. This organization houses five agencies who specialize in helping victims of child abuse. Kayla Harrison, U.S. Olympic Gold Medalist will be speaking at the event about the importance of this organization and about her personal struggles with sexual assault. Please join me in my hope that this event will raise both money and awareness.

If you are interested in volunteering or donating to this organization, please contact me and I will get you in contact with the right person.

Events to check out in District 2
