WA State Department of Ecology Community Meeting

The Washington Department of Ecology will have a community meeting in Edmonds on Thursday, Aug 20, regarding [a proposed work plan](#) to clean up the remaining contaminated areas of the former Unocal Edmonds Bulk Fuel Terminal. The community meeting will be held in the Plaza Room of the [Edmonds Library](#), at 650 Main St. An open house will run from 6:30-7:30, with presentations and question and answer period from 7:00-9:00pm.

Those unable to attend the community meeting can submit comments to David South through August 31st. Comments can be sent to david.south@ecy.wa.gov, or to Dept. of Ecology, 3190 - 160th Ave SE, Bellevue, WA 98008.

Wright Appointed to NACo International Economic Development Task Force

The President of the National Association of Counties recently appointment Councilmember Stephanie Wright to serve as Vice-chair on the International Economic Development Task Force for 2015-2016. The [task force](#) will help guide the national organization on county-level engagement in international economic development activities and facilitate the exchange of information, ideas and resources regarding this crucial area of the economy.

With exports comprising nearly half of the GDP in Snohomish County (44.1% in 2012,) it is important that our leaders help expand the reach of Snohomish County, of the products we manufacture and grow here, and to promote our county as the best place to live, work and invest.

The [Evergreen State Fair](#), one of Snohomish County's most beloved traditions, will return on **Aug 27th - Sept 7th**. Whether you brave the carnival rides, fill yourself on delectable delights, take in a concert or saddle-up to the Pro-West Rodeo, there is something for the whole family to enjoy.

While there are plenty of opportunities to take photos of bearded goats or lumberjacks in the logging show, selfie-sticks will not be permitted on the fairgrounds due to their role in a number of injuries and mechanical problems at fairgrounds across the country.

Put on a sunhat, grab the kids, leave the selfie-sticks at home, and mosey on down to the fairgrounds in Monroe!

Stay Up to Date on District 3 Road Projects
