

Celebrate Earth Day!

Friday, April 21, County Campus

Executive Dave Somers invites you to the County's upcoming Earth Day Celebration!

- **Date:** Friday, April 21, 2017
- **Time:** 11:30 am-1:00 pm; *Executive Somers will speak at noon.*
- **Location:** County Campus plaza (Rain Location: First floor public meeting room of the County Administration building)

Celebrate Earth Day and learn how you can get involved by visiting informational booths on environmental conservation opportunities and programs. Check-out the new Earth Day display in the lobby of the County's Administration West building for tips on how you can make a difference and help protect our environment.

Looking for Earth Day volunteer opportunities and events? [Visit this link](#) on the Office of Energy and Sustainability's webpage for more information.
