

Snohomish County Public Works

Project Name: Bridge 453 Deck Replacement

Project Number: RC1623

Notice of Land Disturbing Activity

Pursuant to the provisions of Snohomish County Code (SCC) Chapters 30.70.050(2) and 30.63.B

WHAT IS PROPOSED?

Snohomish County Public Works is proposing to:

- **Replace the failing fiber-reinforced polymer deck with a pre-cast, pre-stressed, concrete panel decking system**
- **The four 32-foot by 8-foot panels for the deck will be attached to the existing steel girders by welded studs**
- **Minimum ground disturbance and grading of approximately 72 cubic yards will occur when each roadway approach is excavated to install 15-foot by 28-foot reinforced concrete slabs**
- **The bridge deck and approaches will be repaved**
- **Concrete curbs will be installed to support the guardrail**
- **Construction is planned for Summer 2013**
