Snohomish County Public Works Employees to Share Expertise at Industry Conferences

Employees presenting at three different conferences on a variety of topics

EVERETT, Wash., March 16, 2018 – Snohomish County Public Works employees are sharing their knowledge with industry peers at three local conferences. Topics include building a foundation of collaboration between farm, fish and flood interests; planning and implementing transit oriented development; and attracting and retaining employees to support staffing needs.

Past and future presentations given by county employees can be viewed at:
