Terms of Office

What is the difference between regular, a short and full, and an unexpired term?

A **term** is a length of time when an elected official is in office. Most terms begin on or shortly after January 1 after the official is elected. Exception: school district directors take office at the next scheduled meeting after the elections results are certified.

Regular (full) term lengths vary based on the type of district and the rules that govern the district. Common term lengths are 1 year, 2 years, 4 years, or 6 years.

When a vacancy occurs in an elected office, it can create the need to elect a person to either a short and full term or an unexpired term.

A **short and full term** is designated when the vacancy occurs in an office that is already scheduled for election at the next General Election. The winning candidate takes office immediately following the certification of the election to serve the “short term” until their “full term” begins, typically on, or shortly after January 1.

An **unexpired term** is designated when a vacancy occurs in an office not scheduled to be on the ballot at the next General Election, but still in a year in which the district elects other offices. The winning candidate takes office immediately following certification of the election for the remainder of the term that was vacated.

Example

Fresh Air Park District has 5 elected commissioners. The positions are scheduled to be up for election as follows:

Position Number	Year Up for Election	Incumbent
1	2020	Ann
2	2022	Tom
3	2020	Jane
4	2024	Barb
5	2022	Rick

If Ann resigned in 2019, Position 1 will continue to be up for election in 2020 and the winner will fill a short term through the end of 2020 and complete the full 4-year term through 2024.

If Tom resigned in 2019, Position 2 will be scheduled for election in 2020 and the winning candidate will fill a 2-year unexpired term through 2022.

Position Number	Term listed on the 2020 ballot
1	Short and 4-year Term
2	2-year Unexpired
3	4-year term
4	(office not on the 2020 ballot)
5	(office not on the 2020 ballot)

The declaration of candidacy application captures:

- the office sought
- the candidate's name and address
- the candidate's name as it should appear on the ballot (ballot name)
- the candidate's party preference, if the office sought is partisan
- campaign contact information
- the filing fee (if applicable)

Party preference

Each candidate seeking a partisan office may state a political party preference. A candidate's preference does not imply endorsement by the party or that the party approves of or associates with the candidate. Each candidate will retain the party preference from the Primary to the General Election.

Filing fee

If the office has a salary, candidates are required to pay a filing fee equal to 1% of the salary. There is no filing fee for offices with no salary. See Offices up for Election in 2020 on pages 4-15 for filing fees for specific offices.

If you cannot afford the filing fee, please contact Snohomish County Elections for an explanation of the petition in lieu of filing fee process.

November 3 General Election October 15

Primary vs. General Election

Primary

A Primary is required if more than two candidates file for the same position or if the office is a partisan office. Exception: the results of PCO races on the Primary ballot are final.

The order in which candidates are listed on the ballot is determined by lot draw.

The lot draw for local candidates (who file with Snohomish County) is conducted at 5:01 p.m., Friday, May 15. Results of the drawing are posted on our webpage immediately after the drawing.

The State of Washington has a Top 2 Primary system. This allows voters to choose among all candidates running for each office regardless of their party preference. The two candidates who receive the most votes in the Primary qualify for the General Election.

Candidates need at least 1% of the votes cast in that race to advance to the General Election.

Each candidate for a partisan office may state a political party that he or she prefers. A candidate's preference does not imply that they are nominated or endorsed by the party, or that the party approves of or associates with that candidate.

General Election

Order of appearance on the General Election ballot is determined by the votes received in the Primary. (RCW 29A.36.170)

Each candidate will retain their party preference from the Primary to the General Election.

If there is no Primary, order of appearance on the General Election ballot is determined by lot draw. (RCW 29A.36.131)

How Do I Know if I am a Winner?

Candidates will participate in the August 4 Primary as long as there are more than two people running for the office or if it is a partisan race. PCOs will be on the ballot if more than one candidate files within the same party. The results of the Primary for PCO are final.

When only one or two people have filed for a nonpartisan office, they will not appear on the Primary ballot and automatically move on to the General Election.

The two candidates with the highest number of votes in the Primary, regardless of party preference, will advance to the November 3 General Election.

Who can register to vote?

You may register to vote if you are:

- A U.S. citizen
- 18 years of age or older by Election Day (16 and 17 year-olds can pre-register, but will not vote until age 18)
- A legal resident of Washington State for at least 30 days
- Not under the authority of the DOC
- Not disqualified due to a court order

In Washington, a voter does not register by political party or declare political party membership.

When can I register to vote?

You may register online or by mail up to 8 days before the election or in-person at the Auditor's Office up until 8 p.m. on Election Day. Once you are registered, you do not need to register again unless you change your address or name.

Where can I register to vote?

You may register online at www.votewa.gov. Mail-in registration forms are available at libraries, post offices, and at the Auditor's Office. You may also register when you renew your driver's license.

What if I change my name, signature or address?

If you change your name or move within Snohomish County, you must update your voter registration. Changes made online or by mail after 8 days before an election will take effect after election certification. Voters can change this information in person up until 8 p.m. Election Day.

Name and signature changes may be made by completing a voter registration form and sending the updated information to Snohomish County Elections. Address changes may be made by calling Snohomish County Elections at (425) 388-3444 or by sending an email to elections@snoco.org.

Can a voter's registration be canceled simply for failure to vote?

No. Failure to vote alone will not result in the cancellation of a voter's registration.

How are voters' registrations canceled?

Voters' registrations are canceled when a voter registers in another state or county; when Snohomish County Elections receives notice that a voter has died or has been imprisoned for a felony conviction; or when a voter contacts Snohomish County Elections requesting their registration be canceled.

Voters' registrations are also canceled by a periodic removal of voters that have been on inactive status for two successive federal elections. A voter is designated inactive if any mail from Snohomish County Elections is returned as undeliverable from the US Post Office. When moved to inactive, the voter is sent a forwardable address verification postcard. The voter is reactivated if he/she votes or notifies Snohomish County Elections of a current address.

All Mail Ballot Elections

Washington state is an all mail ballot environment. Ballots are mailed to all eligible registered voters 19 days (30/45 days for military and overseas voters) before each election. Ballots can be returned through the mail postage paid or at a 24-hour drop box. There are multiple 24-hour drop box locations throughout the county. Locations are sent with the ballot and posted on the Elections website.

A voter may request a replacement ballot through Election Day by contacting Snohomish County Elections at (425) 388-3444, elections@snoco.org, or visiting the office. Hours are 9 a.m. to 5 p.m. Monday through Friday and 8 a.m. to 8 p.m. on Election Day.

The Top 2 Primary

The State of Washington has a Top 2 Primary system. Voters can choose to vote for any candidate regardless of their party preference. The two candidates who receive the most votes in the Primary advance to the General Election.

A Primary is required if:

- more than two candidates file for the same position
- if the office is a partisan office; or
- if the office is decided in a Primary by law

Candidates need at least 1% of the votes cast in a race to advance to the General Election.

Order of Races and Names on the Ballot

The order of races on a ballot is established by state law and local rule.

The order of candidate names within a race is determined by:

- lot draw for the Primary
- votes received in the Primary for the General Election

If there is no Primary, order of appearance on the General Election ballot is determined by lot draw.

Election Observers

The public, candidates and representatives of political parties may observe ballot signature verification and ballot processing at any time during the election period. All observers must sign in at either Snohomish County Elections, 3000 Rockefeller Ave, Administration Building West, Everett or at the Ballot Processing Center, 1615 75th St SW, Everett.

Logic and Accuracy Testing

The logic and accuracy test is a public test of the election tabulation system. The test is witnessed by party representatives and for primaries or elections with state or federal races, a representative of the Office of the Secretary of State. Testing is conducted by Snohomish County Elections using the same software and hardware that will be used to tabulate ballots.

Election Results

Local election results are available beginning at approximately 8:00 p.m. on election night at the Snohomish County Elections website (www.snoco.org/elections), the Ballot Processing Center (1615 75th St SW, Everett), or by calling (425) 388-3444. Statewide results can be found on the Washington Secretary of State's Office website (www.vote.wa.gov).

Election night results generally represent ballots that have been received by Snohomish County Elections through the Monday before Election Day. Snohomish County Elections staff will continue to verify, open and tabulate mail and provisional ballots until the election is certified 10, 14, or 21 days after the election.

Interim ballot tabulations are determined by voter turnout. Dates and times of interim releases of election results are posted on the Elections results webpage.

Canvassing Board Review of Ballots

The Snohomish County Canvassing Board is comprised of the County Auditor, Chair of the County Council, and the County Prosecuting Attorney or their designated representatives.

Ballots that require review by the Canvassing Board are brought before the Board usually one day before the official certification of the election. Notice of all Canvassing Board meetings are published in the Everett Herald newspaper and on Snohomish County Elections webpage. Canvassing Board meetings are open to the public, candidates and representatives of political parties.

Certification of Election Results

All elections must be certified by the Snohomish County Canvassing Board. The process of certification includes a review of the final election tabulation report and the signing of certification documents by each board member. The election certification process is open to the public, candidates and representatives of political parties.

Recounts

Automatic recounts apply to candidates and statewide measures. An automatic machine recount will occur if less than 1/2 of 1% and less than 2,000 votes cast separate candidates or issue responses in a race.

An automatic hand recount will occur if less than 1/4 of 1% and less than 150 votes (or 1,000 votes for statewide races) separate candidates or issue responses in a race.

A recount is applicable only to candidates nominated or elected and the closest defeated opponent based on certified election results. In a primary a recount could occur between the second and third place candidates. An automatic recount will only tally votes for the position in question and will be conducted without charge to any candidate.

A candidate or an officer of a political party may request and pay for a recount if the race is not close enough for an automatic recount or has been recounted once already. All requested recounts must be submitted no later than two business days after the official canvass is complete. A deposit of \$.15 per ballot for a machine count and \$.25 per ballot for a hand count by certified check or cash is required. Final cost of the recount will be calculated after the recount is complete. The recount will be conducted in a time-frame determined by the Canvassing Board.

Effective Date of State Measures

State ballot measures receiving a favorable majority vote are declared law by the Governor 30 days after the General Election, unless an effective date is contained within the text of the measure.
