Snohomish County Public Works Hosting Open House for 35th Ave SE – Phase I Construction

Project will improve traffic flow and help ease congestion

EVERETT, Wash., April 17, 2018 – The 35th Ave SE corridor is an important north-south route for south Snohomish County residents in a rapidly developing area. Snohomish County Public Works will begin construction in May on the 35th Ave SE – Phase I project and will host an open house next week. The project will include the following improvements on 35th Ave SE between 180th St SE and 152nd St SE (Seattle Hill Rd):

- Widening the roadway to include a center turn lane and bike lanes
- Adding sidewalks and planter strips
- Improving stormwater detention and treatment facilities
- Adding a signal and right-turn lane at 156th St SE

35th Ave SE – Phase I Project Open House:

When: Stop by any time between 5:30 p.m. and 7:30 p.m., on Wednesday, April 25 – there will be no formal presentations

Where: Mill Creek Elementary
3400 148th St SE
Mill Creek, WA 98012

Why: Meet with Snohomish County Public Works staff to learn about the 35th Ave SE – Phase I improvements.

For more information about 35th Ave SE – Phase I, visit the [project website](#).

About Snohomish County Public Works

The Snohomish County Public Works Department constructs and maintains county roads; controls and manages surface water quantity, quality, and fish habitats; and oversees the recycling and disposal of solid waste. The department's main office is located at 3000 Rockefeller Ave., Everett, WA 98201. For
