Maple Rd and Ash Way Intersection to Close for Construction on April 23

Interurban Trail to close at intersection

EVERETT, Wash., April 19, 2018 – As many commuters know, the Maple Rd and Ash Way intersection near Alderwood Mall in Lynnwood floods multiple times a year. The intersection will close on Monday, April 23 until November 2018 for construction improvements. The Interurban Trail will also close between Beech Rd (behind the Target store) and Alder Way. Access to all businesses will be available during the project.

Snohomish County and the city of Lynnwood are working together on the project, which will help ease flooding at the intersection. Crews will reconstruct approximately 700 feet of Maple Rd and 600 feet of Ash Way using structural slabs on top of steel piles. The new intersection will be raised roughly five feet from its current elevation.

For more information, visit the [project web page](#).

About Snohomish County Public Works

The Snohomish County Public Works Department constructs and maintains county roads; controls and manages surface water quantity, quality, and fish habitats; and oversees the recycling and disposal of solid waste. The department's main office is located at 3000 Rockefeller Ave., Everett, WA 98201. For more information about Snohomish County Public Works, visit www.snohomishcountywa.gov/PublicWorks.
