Hello Mr. Eastin, I am ccing Martin Young who heads up our Sounder Commuter rail division here at Sound Transit. I am assuming that Point Wells development includes a proposed Sounder Station stop as transportation mitigation to the development, so I think Martin would be appropriate to review.

Hello Mr. Hardy,

Snohomish County PDS is resending the DS/ EIS Scoping Notice for the Point Wells project and do not a contact for Sound Transit. Can you recommend someone as contact for Sound Transit to receive notices and other information about the project.

Thanks.

Darryl
