**Subject:** Flowchart/decision points/timeline re Point Wells Redevelopment

Dear Mr. Eastin,

Thank you for taking the time to meet with Richmond Beach residents last night for the Public Scoping Meeting in regards to the Point Wells Redevelopment EIS.

I would be very interested in a copy of the flow chart for decision making in regards to this process. Specifically I am interested to hear of the two branches dependent upon if the local jurisdictions are in agreement with the development or not. As you know, the City of Shoreline may be cooperating, however the residents of Richmond Beach feel that our interests are not being represented nor protected by the City of Shoreline. If there are any known dates and/or deadlines for the various steps of the flow chart that was mentioned, I would be interested in those as well.

Thank you for taking the time to respond to this request,

Mary E. Bannister, Richmond Beach Resident
