Subject: Wells Point

Dear Mr. MacCready,
I received the postcard about the upcoming meeting to discuss the development plans for Wells Point. As I work in the evenings I won't be able to attend. I did want to add my input though.

My family has lived in Shoreline for over 20 years. We chose Shoreline for a lot of reasons and sadly those reasons are no longer as evident. The huge trees are being taken out every time someone buys a house and clears the land. The quiet streets are increasingly busy and will be going to get even busier with the development of an apartment building up the street from us, not to mention all the development along Aurora and the zoning changes to 185th Street. With the new light rail there are more houses coming down and apartments and condos going up. Where will we put all these people? All their cars and pets?

When I think of all the changes that would need to take place to the beautiful little area of Richmond Beach, to all the houses along the two-lane roads, to the increase in population and all the hassle that comes with it, I cannot express how much I oppose this idea. I'd love to see the old fuel barn turned into a park. Or leave it as it is. Please add my voice, as strongly and as loudly as possible to say No to developing the property to include thousands of more people and congestion. The beach is sacred and needs protecting. I can only imagine the increase in use, the pets and the nasty pet owners who don't pick up after their dogs, not to mention trash. UGH!!

Thank you.

Colleen Holbrook
1361 North 180th Street,
Shoreline WA 98133

P.S. You can add my husband's voice to this as well. He already complains about the traffic and noise we are experiencing as it is. I don't want to think about the apartment complex coming soon.
