POINT WELLS MIXED-USE REDEVELOPMENT PROJECT EIS

PUBLIC SCOPING MEETING, FEBRUARY 18, 2014 PUBLIC COMMENTS ON SCOPE OF EIS

<u>Name</u>	<u>Address</u>	<u>Telephone/email</u>
Sue Holloway	19614 Greenwood Pl. N Shoreline 98133	206 542 0664 icrazymumi@aol.com

Comments:

I think that the surface streets that Point Wells will channel their traffic on will not be able to support the traffic. The road runs along the waters edge and is only one lane in each direction. The impact on the local community will be detrimental. Richmond beach road also will not handle the wear and tear of all the additional traffic gracefully. Shoreline tax payers will be footing the bill.

Since this development is in Snohomish County, why don't they make the entrance or exit in Snohomish County?

What is the impact on the Shoreline School Dist.?

Public transportation is sorely lacking in Shoreline. How is that going to take care of the large amount of population growth.

Input to the scope of the EIS can be given verbally at the public scoping meeting or in writing at any time during the comment period, which ends on March 3, 2014. Written comments can be sent to:
