I was born and raised on Richmond Beach Drive where I now reside. I want to go on record and say I agree with the scoping comments submitted by the City of Shoreline on 2/14/2014.

Richmond Beach sits on a high landslide, as well as, a very high risk area for an earthquake.

While planning the Point Wells development, please scale back, way back! It could be a wonderful small community. Don't let big money rule. Please remember Oso!
