Subject: Point Well Development

Hi Ryan:

I am a lifelong resident of Woodway. For the life of me, I have never been able to figure out how the Point Wells developers think that they are entitled to constructing 180' buildings based on the assumption that they qualify for this exception because of their proximity to mass transit.

Van Pooling is NOT mass transit and there is no other possibilities for them to qualify for this exception. Snohomish County needs to enforce the 90' height limit on this development now.

Sincerely,

Jay Young
