To Whom it May Concern:

My husband and I have lived in Richmond Beach for 30 years, the past 20 on Richmond Beach Drive. We are very concerned about the negative impacts of the proposed Point Wells development!

Richmond Beach Drive is a two-lane road, as is the new route up Richmond Beach Road, so the significantly increased traffic caused by Point Wells would be overwhelming! The proposed tall buildings will detrimentally alter our neighborhood and block views. Those of us who purchased homes in this community many years ago don't deserve to have our property values destroyed by the creation of the Point Wells development! No one here wants it and no entity is able to mitigate for it, so please don't allow it to happen!

Sincerely,

Diana and Samuel Gibbs
