

PT Wells cont call 4/9/15
Gretchen, Gary,

- Recap yesterday's call
- Schedule
- Other?

Gretchen: Protocols on transpo methods key

*Me: send contracts 9.9.d.

Gary: knows much of schedule depends on traffic
review new ITE guidelines

Gretchen: BSRE will have an "over-the-shoulder"
review of transpo assumptions before
memo is finalized

Me: Mark Brown will review traffic for BDS

*Who will sign off for SnoCo?
Brown or consultants or both?

①

Gary: Immediate need to agree on
Methods & assumptions memo
details later

Gretchen: Agrees; ~~As~~ duplicative review
expected

Gary: Wants as many eyes as possible

Gretchen: Transpo wants OK to call CI staff

Me: OK

Discussion review of methods & assumptions
- What does it really mean?

Gary: New capture rate down in FTE,
then possible change in unit mix

Gretchen: Assumptions memo maybe by next week

Discussion - new viewpoints
- Bunder's deal?
