

PT Wells Conference call 4/23/15
Gretchen, Rich, Gary

Discussion of Transpo assumptions timing
April 30 meeting w/in Snoco then
Consultants in May

Gary! Some assumptions reviewed by city-shoreline-
but many city staff have or will soon
retire

Gretchen & Gary will have call w/ECONW
re: fiscal assumptions

Gretchen! Erik from EconW may be able to
talk on Monday or Tuesday; key variables
are alternatives, build out date, phasing,
Sales price, retail sales

* Gary will forward list that shoreline wants
for fiscal

Coordination on fiscal will be between Gary, Gretchen &
ECONW

Gretchen! Visual analysis simulations are
done (6 sites) writeup under way

Gretchen! Sewer & water letters in hand from Olympia
Gary! Working on letter from Ronald

Gretchen! Geotech drilling has occurred
Gary! Geotech is preparing report (Soil profiled hazards ^{map})

Gary! DEA Second access analysis will prepare an
outline of approach; s/b ready shortly

Gretchen! Hart-Crouser & DEA to coordinate
on road access options

Access outline when?

Rich! Some invoices are still outstanding

Gretchen! on vacation May 13-23rd

Me! Need to reschedule May 7 call
