

Point Wells Conference call 5/6/15
Gretchen, Gary, Rich

Things to check/report

- Status of geotech work
- Second access
- Status of fiscal analysis
- Traffic assumptions
 - 2nd Access - location - emergency only
- Additional points (2-4 to study)
- Corridor Study Status
- Comments from Shoreline
- Need for consistency w/ completion letter requests
- Contract Scope

Gretchen: Start w/ transp

Me: Status update

Discussion: Concern about impact on schedule w/ delay on memo response

Gary: Possible citizen initiative for petition re: pt wells

Rich: How affect EIS?

Gary: It might delay/block corridor study

①

Discussion: Scenarios w/ 2 access for urban
Is w/in scope & budget for DEB

Wachusett intersection OK to add

Gretchen to send fiscal call invoice for 5/11

Site cleanup into process coming (for Chapter 2 or environ health)

Rand letter still pending,
Gary to check w/ Doug

CR (Cultural) has quest.

* Next call 5/12 @ 9:30 (no 14th)
Gretchen will send fiscal call invoice

②
