

Point Wells Conference Call 7/2/15
Rich, Jeff, Gary (no Gretchen)

Things to check/report:

- Status of traffic assumptions
- Any progress on corridor study?
- Status of 90' AIT
- Tribal outreach for cultural resources
- EA coordination w/ SUR on water & sewer plans
- Status of secondary access options
- Geotech review - to include soundation?
- Fiscal review - Add roadway, impact fees, more schools info

Rich: some peer review happening

Discussion of tribal outreach, overlapping
usual accustomed areas

* Rich to send example from Kitsap
Stormwater infiltration & pollution issue

Fiscal to include more impact fees

SR housing mix of schools

* Gary to see if client will release map

①

Gary: DEA still working on 2nd Access

Rich prefers Landau to give just one
set of comments

* me let Landau know

Gary: Woodway has had first of 2 meetings
re: Sand ~~new~~ Fed agreement

Corridor study waiting on final traffic
assumptions

90' AIT scope w/ ~~the~~ architects still
working

7/9 will be in afternoon 2:00 pm
(later changed to 7/10 @ 10:AM)
