

PT Wells Conference Call 7/10/15
Gretchen, Rich, Gary

Things to check/Report:

- Status of 2nd Access
- Geotech feedback looks good, only add res. Soundview (Landau or Hart/Crawser)
- Any updates re: 90'?
- SnoCO feedback on fiscal
 - Add Woodway Scenario
 - Add Impact Fees
- Critical Areas feedback from SnoCO expected next week
- Status of Soundview meetings w/Woodway?
- Cultural resources
- Timing of PDS review of Traffic Assumptions #2

Identification of missing pieces

- Sr Housing
- Updated Figures
- Coordination w/chapter

Develop tracking tool?

①

Gretchen! Technical reports
How to get missing pieces

Discussion how to solidify parts

Gary! Modify plan w/letter

Rich! Flexibility comes from using a minimum
Applicant may not want to go too far
Might want to under assume

Gretchen! List of items to modify

Gretchen! Will have SUR address tsunami

Gretchen! Other reviews waiting on Secondary Access

Gary! 2nd Access likely today

Gretchen! Status of Assumptions memo

Gary! 90' AT Almost ready for UBrat
Landuse, aesthetics, quick fiscal

②

Gary: Wanted to confirm traffic
sent to both Woodward & Shoreline
- Me already have

Gretchen: Questions on McCormick email on Chapter 2

Gary thinks nothing was adopted

Discussion of things still pending @ GMAHB²

Corridor Study

Rich: Was issue a challenge to 4000 trips?

Gary: Yes, but until corridor study is done

Agreement to address issue in Chapter 2

Gretchen: to make some some notes

Discussion 2 public meeting during DEIS

- Design board
- Open house
- Not sure which first

Discussion Cultural!

*We send Mason Marisett letter
