

Point Wells Conference call 7/23/15
Loretchen, Gary, Rich, Jett

Things to check/Report

- 2nd Access
- Project drawings
- Transpo review
-

Gretchen: Tech reports waiting on
Snob response to project drawings

Me: Describes concerns being drafted

Loretchen: maybe have Perkins Will

Discussion for EIS & Cleanup for later

Gretchen: EA comments for CRC

Me: Snob agrees to use EA comments too

①

Gretchen: about 2nd Access
Gary: It's being edited

Discussion Traffic Assumptions

Discussion progressing other chapters
then having traffic catch up

Loretchen: Shoreline 4000 ADT limit
EA OK to use in drafting update to
Chapter 2

* Me to write discussion of Urban Village
progressing for Chapter 2

Gretchen: Perkins Will input on 90' alt
not same as other visual impacts
Discussion to use in text; Gary will
call Dan for approval to authorize

Loretchen: Some inconsistency regarding fill
on site
