Subject: Comment for Point Wells hearing
Date: Saturday, May 12, 2018 5:12:55 PM

To the Hearing Examiner,

Please reject the Point Wells application as the county has recommended. As a Woodway resident I am concerned that the impact of increased traffic has not been completely addressed. Furthermore, I am worried about the consequences of wetland intrusion, inadequate attention to landslide danger and reduced air quality. Thank you for your attention to these matters.
