Hello,

> This email is to voice my opposition to the Point Wells Developmnt. As a resident and home owner at 19023 Richmond Beach Dr NW I strongly oppose the use of Richmond Beach Road to add hundreds of cars and thousands of vehicle trips each day. It inhibits the safety of the existing traffic, pedestrians, cyclists and will cause congestion.

Complete lack of addressing a city or any governmental agency's requests is unacceptable and sets a negative precedent for working with the current developer as well as future developers.
