Point Wells conf. call 6/9/16

Bretchen, Gary, Rich

Bretchen! Kirk & Gary met w/ Shareline

Gary! Expected shareline to not have seen study, but has a more supportive City position because Will Hall no longer needs to recuse himself.
V/L standard might be possible to adjust.

May need to do additional model runs on new configuration, City may forego telling study

Victor and Kirk will need to reassess time table

Discussion review letter, Gary wants to see

Bretchen! Rambell Environ B recommending additional analysis & may need updated/expanded contract, incl for end/buss

Gary! Wants an update on annexation
