Dear Mr. Camp,

I strongly oppose the development application for the Point Wells area. As a resident in Woodway, the development seems completely out of scale with respect to the surrounding family neighborhoods, including Richmond Beach, Shoreline.

The increase in car traffic along our main streets will significantly impact the neighborhood quality in a negative manner. Traffic flow and accompanying noise levels will change the quality of our neighborhood and should not be dismissed lightly.

Please consider rejecting the Point Wells development application.

Sincerely,
Julie Schlenger
