

AMENDMENT SHEET 4

ORDINANCE NO. 18-058

Amendment Name: Capital Facilities Plan – Appendix B

Brief Description: Revise the Planning Commission’s recommended new language on the cover page of Appendix B to shorten and improve clarity in the description of the relationship between the county’s Capital Facilities Plan and the plans of non-county agencies and the purpose of the inventory maps.

Affected Ordinance Sections: Exhibit D

Affected Plan Documents: Capital Facilities Plan – Appendix B

Affected Maps: None

Affected Support Documents: None

New Recitals, Findings or Conclusions to Support: None

Existing Ordinance Recitals, Findings, Conclusions or Sections to Delete or Modify:

The cover page of Exhibit D, identified as Appendix B of the Capital Facilities Plan: revise the proposed new language in the Planning Commission recommendation such that the paragraph below the title on the cover page reads as follows:

Appendix B contains Figures 1-7 reflecting the capital facilities inventory maps utilized by the county in preparing the CFP. As it relates to those public facilities provided by non-county agencies, the maps in Appendix B reflect the county’s attempt to identify the service area boundaries of the respective non-county agencies based on review of the most recent external functional plans of those agencies as summarized in Section II. Such maps are for illustrative purposes only and may omit gaps and overlaps in service area boundaries.
