

Reece's Hideout Bridge #540

2011 Meeting for Property Owners

Hello,

The South Fork Sauk River Bridge #540 project team is preparing to meet with you. We will bring exhibits of the proposed bridge replacement design, along with information about the environmental permitting process and schedule.

After looking at everyone's address, we've chosen Everett as the most centrally located site for the meeting. The meeting will be at the Snohomish County campus, 1st floor Administration Building East, 3000 Rockefeller in Downtown Everett.

1. **Which *date* will work for you?** . . . Wed, Nov. 30 **OR** Tue, Dec. 6?

Which *time* will work for you? . . . 5-6:30pm **OR** 6-7:30pm

Please call me or send an e-mail by OCT. 31 to let me know which date/time will work for you. We will schedule according to what works for most people.

2. Also, please send me any questions you have about the project by November 7. That will give us time to gather any additional information that might be needed before the meeting.

Thank you,

Tina Hokanson
