

52nd Ave. W. closure begins July 8

Construction to widen 52nd Ave. W. between 148th St. and the Lynnwood city limits began in mid-June, and road closures will begin Monday, July 8. One lane of 52nd Ave. W. will close around the clock until early October; the remaining lane will be open to one-way northbound traffic only. Local traffic and emergency vehicles will have access inside the construction zone. Drivers should expect delays on the detour route and plan extra time into their schedules.

Residents who live along 52nd Ave. W. are asked to remove any obstructions (plants, decorative items, etc.) from the staked right-of-way zone prior to construction. For more information, contact Jane Scott at 425-388-6686.
