

**Snohomish County
Public Facilities District
Edmonds Project**

Edmonds Centre for the Arts

Project Description:

The project would turn the Puget Sound Christian College in downtown Edmonds into a 750 seat regional performing arts facility with ancillary meeting rooms.

Phase one of the project totals \$16.4 million, and centers around property acquisition and major building improvements.

Project Status:

Bonds to fund the project were issued by the City of Edmonds in November, 2002, and the Edmonds PFD is in the process of selecting contractors to begin the construction and renovation aspects of the project.

Interlocal agreements between the Edmonds PFD, City of Edmonds, Snohomish County, and the Snohomish County PFD have been executed by all parties.

Project construction began in April, 2003 with the beginning of asbestos abatement on the site.
