Snohomish County Public Works proposes to purchase right-of-way and build a section of the North Creek Regional Trail between State Route 524 and North Creek Park at 183rd Street SE. The proposed 2.8 mile trail would provide a missing link in the planned coordinated regional system that would connect the Sammamish River/Burke-Gilman Trail in King County with the Snohomish County Regional Interurban Trail in Everett. This combined notice is being issued pursuant to SCC 30.70.050(2) and 30.61.110.
