

# North Creek Regional Trail Open House

March 2011

Thank you for attending the open house this evening. After a final review of all comments, a preferred alignment will be selected. Preliminary design and a right-of-way plan will be prepared in 2011 and submitted for County Council approval in 2011 or 2012. The purchase of right-of-way could be completed in 2013. The county continues to seek grant funding for permitting and construction.
